

## HOW TO MAKE AN EASTER BUNNY BASKET

BY HOKIS

Hokis shared her adorable Easter Bunny Basket with our Facebook Group, and was inundated with requests on how she made it. Hokis very kindly shared this information for us. It is so cute!!

Begin by stitching six

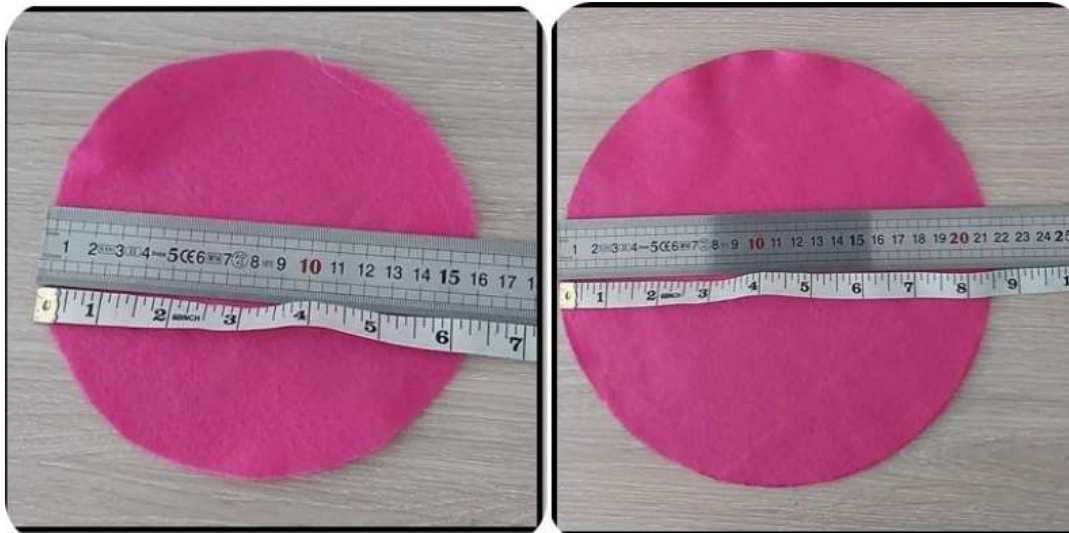

**Free In the hoop Bunny  
Coasters**

5x7 size

Hokis used felt and fabric glue/paste to make her basket as follows:

For the Bag Base - Cut two felt circles

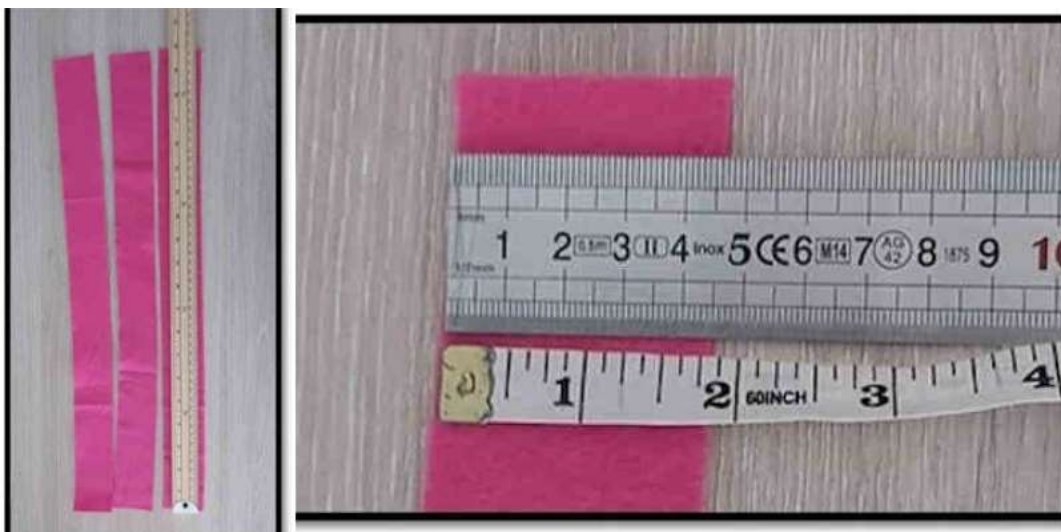

- A 16 cm circle
- A 21.5 cm circle

For the basket - Cut one piece of fabric 54x11 cm

For the handle - cut 3 strips of fabric 50x4.5 cm

---

Sew all 6 rabbits together. Measuring 3 cm starting from the top of the shell

Take the 54x11 cm band and paste the 6 rabbits to it

Mark your fabric 3 cm from the bottom. Cut as pictured.

Use the large 21.5 cm circle

Place the 6 rabbits around the circle then paste.

---

Put the small 16 cm circle in the inside, on the bottom (to cover the base) and stick

---

Use the 3 strips of fabric to braid for the basket handle

Fold as pictured and sew together.

---

Take the braid and place on opposite sides for handles and glue or hand sew in place.

---

Glue the edges of the big circle against the rabbits
